I authorize North Western Electric Cooperative to instruct my financial institution/credit card company to make my payment from the account listed on or about the 10th of every month for the purpose of paying my electric bill. I understand that I will receive a copy of my co-op bill each month as a reference. I recognize that this Automatic Bill Payment program does not include typical credit card chargeback rights and procedures and that I will contact the co-op directly concerning billing disputes. This authorization will remain in effect until I notify North Western Electric Cooperative, in writing, to cancel the Automatic Bill Payment.
